

What a day...

This day actually started some time yesterday evening. During a thunderstorm in the area and a tornado close to us, 4 outlets in our house went out. I'm thinking something in the storm caused it, because it was only part of a complete circuit. Looked like I would have to replace at least one outlet. I couldn't tell from an exterior glance as to which outlet shorted out. So I put a trip to the hardware store on my Saturday to-do list. The first thing on the list was getting my daughter to her SAT testing.

Now on to Saturday Morning... Storm damage from the previous night's storms caused some rough driving. A normal 40 minute drive took closer to 1 hour. We just made it just in time to the SAT testing site. Hmm, day not starting off well...

I had to wait around for at least an hour for the hardware store to open, so I stopped for coffee. Those who have known me for a while, know that my favorite coffee shop closed for good a little over 2 years ago. This was the place my dear wife and I spent many happy times, just getting away from the kids, planning for future things, getting to know one another again after 4 children. Good memories in that little place. I have yet to find any coffee shop that comes close to the atmosphere, quality of the coffee, food ect. and the people who frequent the shop itself. The place I stopped in today had a very nice atmosphere (except for the big screen TV, but I went around the corner from that). The coffee was very good. The food I had ok, but nothing special.. Not many people there, so I couldn't say anything about that. Too bad it was a 40 minute drive... Too far for a once a week type of thing.

After the coffee, I could get the things I needed to replace at least 1 outlet. I got 4 new outlets just in case. I still had at least 2 hours to wait for the SAT to finish. Stopped at another store and was able to find some water filters for our

office at work. I installed an older water filter on the tap at work, but the filters have been hard to find. I try to pick up extra whenever I see them on the shelf. Filtered water makes better coffee ya know... Now only 1 1/2 hours for the test to let out...

Got a call from my daughter in FL, we talked until my Cell battery almost died. Then I got a notice that I had 3 messages... Two were from the day before!!! They weren't there when I got up in the morning, I checked... Storm must have hit a local tower or something?? Anyway a friend wanted to get together to (in his words) "just get out of the house". Great!! How does one decide what to do when I was already invited to oldest daughter's place for fun and games... Hmmm. Well, I was expecting a call from the oldest earlier in the week to finalize the plans. It never happened. I let my youngest test goer decide... Friend won the toss.

So after a good lunch youngest, and I head out for some fun. We played games (all sorts), and just had a lot of fun. We played a miniature bowling game. The balls were slightly larger than a softball, no holes, and the pins were on strings/wires. If you ever see one, try it out. They are very fun. We also played indoor mini-golf (black lit area with dark black 'greens', and glowing colored bumpers and obstructions). This was fun to, but it did make it hard to 'read the greens'. I ended up with a hole in one on the last hole. We also played a number of arcade games for 'tickets'. It was a fun afternoon/evening... Good idea C...

Now I'm tired and ready for bed... What a Day...
