

Not For The Faint Of Heart

After we got back from our trip to New York City a month ago, I did a bunch of research about September 11, 2001. I guess seeing the World Trade Center site in person piqued my curiosity about some of the details of that dreadful day. Some of the websites I found with information about the disaster were intriguing, and I'd like to share them – they are the stories of survivors of the World Trade Center. But I warn you, the following depictions are very graphic, very disturbing, and most of all, very tragic.
