

Dear (Deer) Friends

It's always fun to read about friendship that crosses the boundaries between animal species. I received some cute pictures of a cat and her deer friend via an email forward. What's interesting is that friendships between cats and deer don't seem to be as uncommon as one would think – I was having trouble getting the picture from the email to the blog, so I did a search for cat and deer pictures, and I came up with pictures of at least 5 different cats being friendly with deer! But thanks to Hubby for graciously taking the time (even during football playoffs) to help me get the original pictures from my email. These are cute!
