

Ahhh the end of a long day

I got up early this morning when I didn't have to. The dog decide to bark at something, he usually sleeps in late. But I got up and around, checked my email, the news and my blog. Not much happened since last evening on the blog, so I went to get some other things done. I come back in 1/2 hour and the site is blocked. Good April Fools prank, but I couldn't find the back door. Oh well, I had things to do.

Laundry check, dishes check. Pick up daughter, oops she was still in Fort Wayne. Check

Movie with friends Check. All told a very good evening.

Tomorrow I'll may write about my new toy. But I may be busy with it instead.

Our good admin likes his jokes.

Seems that the group here on tangents was the subject of an April Fools Joke. Trying to get in to add a post this afternoon, I found that the site was up for sale. Good joke. My own jokes didn't make it to fruition today. I was unable to get a hold of the intended victims. Maybe they were avoiding calls from their father today. One never knows.

Good joke on us Admin.. ☐ But will you admit my first email did say something about it being on April 1st?

Feel Good Story?

Or an April Fools' joke. You be the judge

[Sick Sea Turtle Checks into Animal Hospital](#)

I really liked the story, and I would think turtles have some intelligence. If this turtle had been treated there before, it knew enough to go back. But today is April Fools' Day. I tend to take every Odd news or too good to be true news with a skeptics eye today. I didn't see the regular April fool notes in the story, but there was mention of some other famous turtles. Hmm, it has me thinking.

I also saw a site for a [Helicopter Hotel](#). The link may be gone now, because it was an honest April Fools' Joke.

I haven't seen much else. But I am keeping my eyes open today.
