

3D Escher

Have you ever heard of the Dutch artist M.C. Escher? His famous works depicted impossible realities, often based upon mathematical and spatial challenges. Case in point, one of Escher's most famous works, titled *Relativity*:

Let me guess, even if you've never heard of M.C. Escher, you've seen the above picture, right? But have you ever seen it in 3D? Seems people have been recreating Escher's art in Lego form, which I think is pretty cool!

How about more of Escher's most famous works, done in 3D Lego style?

This Gringo Needs Help

From dictionary.com:

gringo [gring-goh] –noun, plural -gos. Usually Disparaging. (in Latin America or Spain) a foreigner, esp. one of U.S. or British descent.

Sorry – didn't mean to be disparaging, but I am of U.S. descent and I need help.

This post is an appeal to country music fans to please help me figure out the details of a country song I want. I don't know the name of it or who sings it. It's an older song – maybe from the 1980's or '90's... I wouldn't even rule out the

'70's. Just about the only lyrics I can remember are "...be your little gringo..." or something like that. The song is uptempo and sung by a male. If you can get me the name and artist of the song I'm looking for, you'll win a prize. Something tells me Carol might know this... or my dad... WHAT IS THIS SONG?
