

# Holiday Hubbub

The past few weeks have been busy, very busy. Here I was hoping for some time to relax and more stuff seems to happen. I had nothing planned for today or most of tomorrow. A time for catching up on all those things that get put to the side during busy times.

That isn't going to happen at all. I need to get my truck looked at by a body shop or two. I'm not sure how long that will take. Then I have to pick up a new head light and see if I can get it pointed in the right direction. Until the truck get fixed up, the headlight assembly is pointing to the sky. The high beam works, but never hits the road. The low beam exploded when the deer hit the truck. The assembly itself seems to have lost any mounting to the vehicle. Which may be a good thing. It is still in 1 piece. Those assemblies are expensive.

Then there will be more things to go to. One more trip to Toledo, for the family, tomorrow night. And any New Years Eve plans. Go here, and there and everywhere.

This holiday season has been busy. In most ways that was very good. In some ways very tiring.

Oh well, off to see a man about a truck.
