

# Lookit The Cute Meeses

Two baby moose are called what? Twin baby mooses, I guess... But anyway, check out this really cute video I received via email – a baby moose finds someone's backyard sprinkler, then he goes over and “tells” his mommy and twin brother about it, and they all enjoy themselves tremendously. The mommy moose grooms her babies in it, and the babies play together – it's SO cute!

Sure beats the other baby moose video I saw this week – we won't go into that (you fellow CNN junkies know what I'm talking about), just nature taking its course, I guess... But let's focus on the cute mooses (?) playing in the sprinkler instead:
