

Math dyslexia?

I have heard of dyslexia of course, but this is the first time I have heard of *math* dyslexia. Apparently this condition makes for a very hard time in math. One Florida teacher is finding that he may not be allowed to teach since he can't pass a required basic math skills test due to his disability. Where this gets interesting is he is an art teacher. No math involved in what he teaches. The rules say it doesn't matter, all teachers must pass this test. However, he has people fighting for him. Click the link to read the article:
