

No fishing

So, fishing for comments clearly doesn't work on this blog. The answer about the two dog videos is for one of them the owner offers the treats two different ways, palm up and palm down. The dog turns her head when offered the wrong way. In the other video the hand is offering it the same way every time, so either this dog doesn't like our current Prez or some other form of training is going on outside of the camera.

Real post coming soon- watch this spot. ☐
