

I Am SpongeBob, Married To A SpongeBob

Yet another email forward struck my fancy... this one's a personality test to determine which cartoon character you're most like. With 29 points, I am SpongeBob SquarePants, and my husband got 31 points, so he is also SpongeBob. Not sure how truthful this is, but fun to take the little quiz. I know, I should get a life... but what about the person who sat and mapped out this whole personality test?

This is fun.

Everyone has a personality of a cartoon character. Have you ever asked yourself what cartoon character you most resemble? A group of investigators got together and analyze the personalities of well known and modern cartoon characters. The information that was gathered was made into this test.

Answer all the questions (only 10) with what describes you best, add up all your points (which are next to the answer that you choose) at the end and look for your results.

Do not cheat by looking at the end of the e-mail before you are done .

Then forward this to all your friends (including the person who sent it to you) and change the subject of this message to what character is you.

Now add up your points and find the answer you have been waiting for! Put your cartoon character's name in the subject line and forward it to your friends and back to the person that sent this to you.

(10-16 points) You are Garfield:

You are very comfortable, easy going , and you definitely know how to have fun but sometimes you take it to an extreme. You always know what you are doing and you are always in control

of your life. Others may not see things as you do, but that doesn't mean that you always have to do what is right. Try to remember, your happy spirit may hurt you or others.

(17-23 points) You are Snoopy:

You are fun; you are very cool and popular. You always know what's in and you're never out of style, you are good at knowing how to satisfy everyone else. You have probably disappeared for a few days more than once, but you always come home with the family values that you learned. Being married and having children are important to you, but only after you have had your share of fun times.

(24-28 points) You are Elmo:

You have lots of friends and are popular, always willing to give advice and help out a person in need. You are very optimistic and always see the bright side of things. Some good advice: try not to be too much of a dreamer. Dreaming too big could cause many conflicts in your life.

(29-35 points) You are Sponge Bob Square Pants. You are the classic person everyone loves. You are the best friend that anyone could ever have and never wants to lose. You never cause harm to anyone and they would never not understand your feelings. Life is a journey, it's funny and calm for the most part. Stay away from traitors and jealous people and you will be stress free.

(36-43 points) You are Charlie Brown:

You are tender, you fall in love quickly but you are also very serious about all relationships. You are a family person. You call your Mom every Sunday. You have many friends and may occasionally forget a few birthdays. Don't let your passion confuse you with reality.

(44-50 points) You are Dexter:

You are smart and definitely a thinker. Every situation is fronted with a plan. You have a brilliant mind. You demonstrate very strong family principles. You maintain a stable routine but never ignore a bad situation when it comes. Try to do less over thinking every once in a while to spice things up a bit with spontaneity.

Now don't spoil it! Have some fun! Change the subject of the e-mail to the name of your cartoon character and send it on.
