

How To Plug The Oil Leak In The Gulf

Hello to the people in the background

You know who you are. The people who pop in look and never say Hi. In other words lurkers. Hello and welcome. Reason I mentioned this is I was looking at the new back end, and again hit the site statistics area. I don't go there much, because I thought I knew who was visiting. I was wrong.

There are people from the US, Canada, the United Kingdom, Sweden, Australia, and others. People using PC's or Macs or other. People using IE, Firefox, or other. Seems like a lot of Others here, but they only make up a small percentage.

It is also interesting to see what other people find interesting here. Not always what I consider the most interesting, but it was at one time, because I wrote it.

So if you like, leave a comment. Unless you're on the already approved list (made one comment), your post will be

moderated. If you don't want anyone else to see your hello, let me know. It will be our little secret.

Just having fun with all of you. For those who do post comments, thanks. For those that don't, I hope you found something interesting in my Random Thoughts. This is probably as random as it gets.

Oh yes, the main page is the most popular by far, but the post visited the most right now list on the bottom right of the page.

Hello world....
