

Evilness IS Greatness

I believe we are now in our fourth week of rehearsals and still in the modified crampness that is the Huber's costume shop. BUT, we get the stage tomorrow night... **HOORAH!!!!!!** Tonight, we put everything together... blocking and lines, the whole show start to finish. Not too bad. Travis was very pleased with our efforts. One piece of advice was some of the casts dancing around on stage... which is always difficult the first couple times through... especially when it is a non-musical, non-dancing production. However, this comment did not apply to me for obvious reasons that will be made quite clear when you come see the show the weekends of December 11 & 18..

Personally, I am quite pleased with my evilness so far. I constantly hear references to "You're A Mean One, Mr. Grinch" and Scrooge... I still think Mr. Potter is even more sinister. I have one line that I just love and cast members have commented on my delivery. However, I need to look at my long passages. I get on a devilish roll and then blank out on a line, but I **AM OFF BOOK!**

Still needs work but once we get on the stage it will all come to greatness! And the [Village Players](#) NEW website is up and running... so check it out.. Although, I need to point out that on the online ticket ordering, only the first weekend is up... something which [Webman](#) and I discovered. A small glitch I forgot to mention to the director. Oh, Travis...

I almost forgot to mention the lovely drive home in the fine London fog that has only gotten worse as I make my way to watch the hilarious *I Love You, Man*. Good luck with the drive in the morning or the delay whichever comes your way.

Teacher videos

I was taking a look at [Teachertube](#) today and found something interesting. Now this is something I have yet to have to do as a substitute- play a video from the teacher. Apparently this teacher left **video** instructions on what the kids would do in class that day. If I were his sub I think I might appreciate it as he was able to go into some detail on how to navigate a website on the Pilgrims. Sure, I could follow written instructions and show the kids myself, but in case of an internet-illiterate sub this would be the next-best thing to the teacher being there. Take a look for yourself. Teachertube is not yet a valid site for embedding so you will have to click the link:

Oh, and while you're there check out [The Amazing Dancing Sub](#). Now I once sang a bit for a class after I told them I was in a show and they wanted a sample, but dance? I don't *think* so... This guy definitely has a unique calling card for teachers (note the end of the video). ☐
