Not your father’s goldfish

Ok, I’m all for feeling good about myself, and getting the occasional pampering, but now we can have fish keep our feet clean. Yes, you read that correctly. There is a spa in Virginia that has little fish to nibble off the dead and rough skin from your feet.

At $35 dollars for 15 minutes and $50 for 30 minutes, I think that this will be one spa treatment I can forgo. I never liked it at the lake, when the fish would come up and do the toe nibble.

Now I’ll have to find other weird spa treatments that people use. Can you say mud baths anyone?
