

That Candle Smells Like WHAT?!?

Something to put on my birthday list?

The White Castle slider-scented candle. That's right... if you are familiar with [White Castle restaurants](#) and their famous products, be warned – they have made a White Castle-scented candle. Yes, the steamed onion scent of the famous little burgers can now be brought into your home!

According to an article that ran on [nydailynews.com](#):

“The candle has a top note of diced sweet onions and crisp pickle, the middle notes are beef patty, cheese and ketchup, and bottom note is a warm burger bun. It all comes together to create this amazing aroma of a White Castle Slider.”

Ok, so I don't really want the White Castle scented candle for anything other than a conversation piece. I am curious about how it smells, but for my birthday I would much rather have a terrifically fun weekend, which is always probable thanks to my wonderful family and the awesome local 4th of July events that are usually planned. On my birthday, the 3rd of July (please don't remind me that I share my birthday with one of my least favorite actors), we will probably catch some fireworks somewhere, as that is one of my favorite thing to do every year. Since the 4th of July is on a Sunday this year, we will be going to church, so we have to find a way to get out to the airport as well for the annual fly-in breakfast which is always a lot of fun. After church, probably during

the little dude's nap, we have a lot of packing to do for a super-fun week in the woods of southern Indiana with the extended family – more about that when we return in a week or more.

HAVE A VERY HAPPY AND SAFE 4TH OF JULY WEEKEND!!!

HAPPY BIRTHDAY AMERICA!!!
