

If I make two posts a day..

If I average around two posts a day from now until the last week of March, I may end up with around 1 post per day when I reach my 1 year anniversary of blogging. I'm not sure that will happen, since I do have a few other things going on between now and then. Today is a fluke because I have a little bit of time to blog a bit, while I'm waiting for some things to download. I just noticed, with my last post on fish sandwiches that I only needed 1 more to hit 300. Then only 65 more for the 1 post per day average by the end of March.

Unless I really want that distinction, it ain't gonna happen..

I'm only adding more words, since on one of my other 'century' posts, I was given a bit of a rough time for the length of it. I do believe the comments on the post were longer than the post itself.
