

If you could...

Let's say that you have 40 hours per week to get a job done. No more, no less, just 40 hours. After that was done, you could spend the rest of the week doing exactly what you wanted. 40 hours is just shy of 2 full days. How would you allocate your work time.

I am contemplating on this. 40 hours is a normal full work week. Some jobs require a bit more, some a little less. That is our 'normal' allotment for work, job, career.

If I were the only one to think of, my desire would be to get as much in as I could in a day. Two 16 hour days and one 8 hour day could do it. Then I would have 4 days on my own every week. Maybe a 14, 12, 14 week? Four 10 hour days? Four 9 hour days and a 4 hour day? The old standby, five 8 hour work days? Five 7 hour days and one 4 hour day?

Is it worth contemplating this at all?

A wandering mind can discover many new things. A stagnant mind only sees what has been.
