

I'm afraid I've been thinking

If the two previous posts weren't enough to give it away, I thought I might just let everyone know. Yes, I've been thinking. A dangerous pastime.

There are a number of things driving the thought processes at this time. My children have either grown up and moved out, or are growing up and moving out soon (youngest is a senior in high school). Out of 4 daughters, number 3 will be getting married very soon (How did I miss that?). A good friend of mine lost his son (about the same age as my oldest daughter). It is spring and review time at work. I'm sure there are a couple of other things that I've misplaced from my brain.

All in all, I've been a bit busy, but today was a slow day. Not a lot planned, but things fell into place. A time for reflective thought. Good, bad or indifferent. Today was a day for thinking. Even the weather was cooperative. Rainy weather is always good for thinking.

And think I did. As far as I can tell, nothing dangerous has happened yet. ☐
