

# Just strange ads

Something weird is going on with the ads I see on many sites. I've been getting bombarded with ads for 'bidets'. Now I would understand this if I had been making comments about toiletpaper, toilet humor, bathrooms, plungers or the like. Or even if I was doing a search to replace various plumbing fixtures. The only site I know of that had something to do with bathrooms, was the [repair blog over at taylhis's site](#).

Seeing the things I'm interested in, or places I frequent, I would expect ads about widows/widowers, maybe dating, single parents, college information, comic books, geek stuff, movies, books and a few other things. Bidets were at the bottom of my list of things I thought I would be interested in.

The other strange ad I've seen is for Ugg boots. While a fascinating site and the boots are quite comfortable (I had a pair of Ugg slippers once), I'm not currently in the market. But then again, I did write about finding boots for my college daughter.

Hmm, does Vet Tech talk suddenly bring up ads for Bidets and Ugg boots? I wonder. For now, I guess I will just be followed by these strange ads. (Check the tags, I'm in for it now)
