

Wow was that a long day

I had to make a trip to Columbus, Ohio for work today. So the day started out extra early and involved a 3+ hour drive this morning. I started out at 4:50 am to get to the State Capitol between 8:00 and 9:00. The drive was so much fun after getting just 4 hours of sleep last night. I went to bed early but woke up 2 hours later and had trouble getting back to sleep. Warm milk and stuff added does nothing for me.

7 hours of meetings later, and I'm on my way home. Just pulled in and got settled. I don't think I want to drive anywhere for a while. The day was too long.

I did see lots of deer today included the 5 that thought the road would be a good place to stand just after sunset. I now know that my truck still has good breaks and my reaction time isn't too shabby. Just one more thing that added to the length of the day. I'm just waiting for the next 'thing' to happen. Maybe I should go to bed before it occurs.. Naah, it will still happen.

Good night folks.
