

And I Thought The Sky Safari Was Cool!

The [Sky Safari](#) is an aerial ride at the Fort Wayne Children's Zoo in Fort Wayne, Indiana. It's like a chair-lift at a ski resort, but lose the snow and add views of zoo animals; including zebra, ostrich, wildebeest and lions. I rode on it earlier this summer with my daughters, mom and uncle, and we all loved it. Speaking of travel, I've heard from a bunch of my Ohio friends about how beautiful the Hocking Hills area is in the southeastern part of the state. We probably won't have a chance to visit this year, even though I've heard that it's just gorgeous in the fall. It might have to go on the "to-do" list though after I found out they have [this](#); a 2-hour zip line tour through the treetops! Check it out – the first part of the video is the training and orientation, they really get going around the two-minute mark if you want to fast forward. But it looks like something I think I would try!
