

The Story Behind The Mask

Have I yet posted on the coincidence involved in the Halloween movie franchise (at least the original 1978 movie)? Well... if so, I apologize. It seems that during the 3 year run of the original Star Trek series, William Shatner was fitted for a death mask. Perhaps if the series had continued on the Enterprise's five year mission ("to seek out new life and new civilizations"... yada, yada, yada...), the good Captain Kirk would have met his demise (guess we will never know). As it turns out, the mask made its way into the hands of the creators of the horror film. You can follow the [link](#) to a more in depth detail with the Shat himself being interviewed by his daughter, Melanie.. I think he might have been confusing the actor Mike Myers with the fictional villain Michael Myers.
