

They're Having A Baby

Ok, ok... so the gang of ~~Dun~~ (OK< OK< Sabre) Scranton Branch are a fictitious bunch, but there is an actual Scranton, PA so who are we to say that the company does not exist. We even drove within proximity to the town last spring. Anyway, two of the characters on the show are expecting and to satisfy my no Office blahs, I came across Jim and Pam's [Baby Blog](#). Here, you can read about hilarious sympathy pains, weird food cravings, and possible baby names (guess who has voiced his opinion multiple times... even suggesting both male and female variants). There are also multiple links to other historic events, including the wedding of the lovebirds.
