

What Is A Dwigt?

In my ongoing effort to catch up on old episodes of *The Office*, I watched a hilarious repeat from season 2 (two episodes air Tuesday nights on TBS at 9PM eastern time thank you DVR). “The Client” featured a guest appearance by Tim Meadows of Saturday Night Live fame as a client who actually is receptive to Michael’s particular brand of customer interaction. Also along for the meeting at Chili’s was Jan Levinson-Gould (no Gould...HAHAHAHA). “Awesome Blossom!”

While back at the Scranton branch of Dunder-Mifflin, Pam discovers a screenplay that Michael had written in which he changed some of the names of the staff into characters in a spy movie. Agent Michael Scarn, Dwigt (his sidekick), “Catherine Zeta Jones” also appeared in the screenplay (surely as a love interest for Agent Scarn).

A very hilarious episode.
