The Mole Week 2

After getting to watch week #2 of the new Mole season UNINTERRUPTED by kids since they're with Grandma this week (can't put a price on that by the way, it's funny how simple pleasures like watching a favorite tv show uninterrupted can feel really nice :)), I am going to change my mole guess from Clay to Kristen. I don't really have a good reason why; she was just acting kind of moley. And her way of sabotaging the task could have been to get that chain to keep falling off the bike, cuz that was unfortunate. Clay had like, one comment during the whole episode, and I just don't think they would shove the mole into the backround like that. And I have to add that I just knew this week was going to be the end of Liz somehow. Chris thinks the mole is Paul, going with his first week's quess. I guess what I will do is give everybody a point for every week they guess the mole correctly at the end once we find out who it is. Do you have a guess this week, Jamiahsh? I got your comment on my other mole post, and I will repost it here:

After watching the first 2 episodes. It is definitely NOT BOBBY. Trying way too hard to draw attention to himself with his 'overexertion. It could be Alex... unless he really did leave his journal behind by mistake.

Interesting comment. We too, think that Bobby is drawing way too much attention to himself to be the mole. He's just coming across as a lazy jerk, and it's not fun to watch. I will go with Chris' theory on him — he is trying to throw off other players by acting like the mole. I see Alex as the guy who wins everyting — there's always one of those on every reality show — and I don't think he's the mole. I don't know whether or not he left his journal laying around on purpose. He could have done so or he could have left it accidently and just tried to cover it up with the explanation of trying to

throw others off. But anyway, another good episode, and here is where we stand on mole guesses:

Lisa — Clay, Kristen

Chris — Paul, Paul

Jamiahsh — Clay, ?
