

# Drinking Games

Ok, there is a war on drugs, a war on terror, a war on wars, but now [a war on beer pong](#).

I never really heard of this game until I was with some young people just after my daughter's wedding last summer. I never really saw much point to the game, and it seemed to me that the people playing were drinking just as much beer while playing the game as they were forced to by the other team making a point. Not much to the game at all.

But it was going to be released for the Wii and all heck breaks loose. I can see why you wouldn't want to condone the game, but it isn't any worse than some of the other games out there. Judge it with you Dollars folks. If you don't like it don't buy it. Bad products will fade away in time. Drawing it to our attention in the news is just free advertising. I didn't see it there, but I wonder if beer pong spread anymore after the announcement of the beer pong fight...

Oh well...

Anyone care to join me the the Star Trek drinking game. ☐
