It is too late in the year, but maybe next year

I just found a recipe for next years Summer parties. It looks like it would be quick, easy and really inexpensive. The question remains who would eat it. Hmmmm Is anyone ready for Fried Grasshoppers?

Now I am sure that most people would see the grasshopper on the plate and just pass on this wonderful new recipe. So I have found more ways to serve bugs, and there are even some that you won't see the bug at all.

More on eating bugs.

Even more on eating bugs.
