

New Tangents

Well, this is my second post with the new “backend” of the tangents.org website, and I have to say, so far I like it better! It really wasn’t that difficult to get used to the changes, and so far anyway, I’ve found everything I need. If you’ve read my post called, “When Technology Attacks” then you know that I am reluctant to learn new ways of doing things on computers, etc. once I learn the original way to do them. It seems right after I learn something new, it changes, leaving me right where I started – feeling dumb, frustrated, and like I’ve wasted my time. But with the new tangents.org updates, I have to say that I’m pleasantly surprised since I’ve figured out everything I’ve needed to use so far by myself without it even taking any extra time! After that warning from O Mighty Admin, I have to say I was dreading the day when the updates would take effect, but now I see that my concerns were unfounded – for now at least!
