

Rambling

I should probably introduce myself, but right now I want to talk about something else. I might introduce myself next time. Anyway, I have a friend who at the moment is having a big decision to make. Her brother and sister-in-law have invited her down to Texas to be a live-in-nanny. Her brother is going over seas and her sister-in-law, I guess doesn't want to come up here, like originally planned. I have a feeling that it might have something to do with me. I was friends once with my friend's sister-in-law, but as seeing as she married my ex, she feels like I still want him back. If she comes up here, I believe that she is worrying about running into me after all she has said about me. I have been willing to forgive her, but she doesn't want me to talk to her, so I have just let it slide right now.

Now, where was I? I seemed to have digressed. My friend doesn't know what she wants to do. She has so many friends up here, plus her family, but jobs seem to be scarce up here and she needs money to keep going to school. School is expensive and she needs to continue to make money. I have been searching for a job for awhile now, but nothing seems to be available for me. Well, except if we both want to be truck drivers. ☐ So, hopefully something will help her with her decision and we will still stay close while she is away.
