

Sammy Plays Four Square

The sermon jam today was by Francis Chan, and my bible verse was Luke 12:40. For worship we listened to Our god, and I had bacon for breakfat.

For math we finished up fractions, and for history we learned about John Wayne Gacy.

For recess we played baseball for the first half, and then four square for the second half. Mom and Sammy joined in and played four square with us. For physics we learned about Maverick at cedar point.
