

Time To Get This Thing On The Road

My lesson was delayed an hour today as K had to take her youngest to his very first day of school. I remember my mother taking me my first day every year up until the fifth grade after which I had to do more than walk out the front door. I do not remember my first day of preschool; however, I do remember that it was in a church in B-own not far from my current lesson locale which itself is a converted place of worship now serving as the South Campus of the local Y.

The lesson itself was GREAT! much better than last week's when we only made it through 2 songs. Today, we breezed through 6 of the 11 songs in 40 minutes (lost track of time and since none of us had anywhere pressing to we did not stop). One piece still had some problems but was better than the last time we attempted it. So, I think after we see how the remainder goes next week, I will be setting the date for the fruits of my labor to be put on display... no pun intended. NOW if I can just get over this cold/allergies that seem to have latched onto me. ☐
